You have just purchased a used transmission and we at Spaldings want you to be happy with your purchase. Transmissions are guaranteed to be free of defect for 180 days from the date of purchase. **THIS TRANSMISSION IS INTENDED FOR USE IN AN APPLICATION THAT HAD A LIKE TRANSMISSION AS ORIGINAL EQUIPMENT. OTHER INSTALLATIONS VOID ALL WARRANTIES. Engine horsepower enhancing modifications or racing and high performance applications voids warranty. Please note that transmissions sold outside of the United States and Canada have no warranty.** This warranty does not cover any incidental and consequential charges including those incurred by overnight lodging, towing, shipping, loss of time, meals, rentals, or replacement vehicle. Initial installation costs not performed by Spalding Auto Parts are not covered under this warranty. In case of possible transmission defect, contact our sales department and we will schedule the vehicle into our shop for inspection. Transportation to our shop is the purchaser's responsibility. In some cases, Spalding Auto Parts may elect to have problems inspected and/or repaired by a qualified repair facility of our choice. If the transmission is found to be defective, Spalding Auto Parts will repair, provide another transmission, or issue a full refund not to exceed the amount invoiced. All other repairs will be done at going shop rate. Seller's liability will not exceed the amount invoiced. This is the only guarantee on the transmission. No verbal or implied guarantees are honored. All guarantees are voided if failure is caused by faulty installation, low fluid levels, abuse, or faulty electrical or computer devices.

Please give us a call if there is a problem with your purchase.
